

Washington State Association of School Psychologists Virtual Conversations

WSASP President Alex Franks-Thomas will be hosting monthly virtual conversations for Washington State school psychologists during the 2020-21 school year! These informal meetings will provide an opportunity for school psychologists around the state to network and share experiences.

Click the link to register for the event. Registration is separate for each event. Registration will close at 6PM the day before the event. Zoom access information will be sent to participants directly.
