Today is NSPW Advocacy Action Day! Join me in advocating for increased access to school psychologists for students here and across the country. ([link](#)) [#NASPadvocates](#)

It's NSPW Advocacy Action Day! Tell us how you advocate for your students' well-being and success using [#NASPadvocates](#)

On NSPW Advocacy Action Day, we're advocating for solutions to school psychology shortages. How have shortages affected your school, students', and community? [#NASPadvocates](#)

Join me & school psychologists across the country today in telling Congress to support policies to address the shortage of school psychologists and other school-employed mental health professionals ([link](#)) [#NASPadvocates](#)

School psychologists are more important now than ever! In order to meet the mental health needs of our students, we need investment in the right professionals. Join @nasponline's Advocacy Action Day and tell Congress to address the shortage of school psychologists. ([link](#)) [#SchoolPsychWeek](#) [#NASPadvocates](#)

FACEBOOK:

Today is the National Association of School Psychologists' Advocacy Action Day! School psychologists across the country will be contacting their members of Congress to advocate for issues important to students across the country. These professionals have never been more critical to support our kids. Join me in advocating for increased access to school psychologists and more. ([link](#))

Join me & school psychologists across the country today in telling Congress to support legislation to increase access to school-employed mental health professionals for students. ([link](#)) [#SchoolPsychWeek](#) [#NASPadvocates](#)

We know how important school psychologists are to providing students with the well-rounded supports and care they need. Without addressing school psychology shortages, students lose out on the high-quality services they need and deserve. Join us on NSPW Advocacy Action Day in advocating for solutions to shortages now: ([link](#)) [#SchoolPsychWeek](#) [#NASPadvocates](#)
